What Residents are Saying

Amber R.

"Just moved back! I lived here for almost two years in 2021-2023 and unfortunately had to move down the hill for a year but my job gave me the chance to move back and I was able to actually move back into my same unit I had previously. I've lived in Tahoe multiple times in different areas and this has by far felt the most at home. From the location, to the floor plan, and size for the price you really can't."

Local Feature

Verde Mexican Rotisserie

One of our favorite spots just down the street, Verde Rotisserie, is perfect for a fresh and satisfying family meal. Made with organic, whole ingredients, their family-style rotisserie chicken meal comes complete with three large sides plus chips and salsa. It's a wholesome, flavorful option that everyone can enjoy.

April is Earth Month, and South Lake Tahoe offers meaningful ways to connect with and care for the environment. On April 18, the [South Tahoe Earth Day Festival](#) 10am-3pm brings the community together with live music, educational booths, and family-friendly activities focused on sustainability.

For a more hands-on experience, residents can join the Earth Day Cleanup on April 22, helping restore the beauty of the area as the snow melts and the season shifts. It's a perfect opportunity to give back, enjoy the outdoors, and celebrate the natural beauty that makes Lake Tahoe so special.
