## **What Residents are Saying**

### **Amber R.**

"Just moved back! I lived here for almost two years in 2021-2023 and unfortunately had to move down the hill for a year but my job gave me the chance to move back and I was able to actually move back into my same unit I had previously. I've lived in Tahoe multiple times in different areas and this has by far felt the most at home. From the location, to the floor plan, and size for the price you really can't."

## Local Feature

### Verde Mexican Rotisserie

One of our favorite spots just down the street, Verde Rotisserie, is perfect for a fresh and satisfying family meal. Made with organic, whole ingredients, their family-style rotisserie chicken meal comes complete with three large sides plus chips and salsa. It's a wholesome, flavorful option that everyone can enjoy.

## Live Well

### Mental Health Awareness Month

May is Mental Health Awareness Month, and here in South Lake Tahoe, it's the perfect reminder to slow down and unplug. This month, we're inviting you to practice a simple digital detox—protecting your peace by creating space away from screens. Self-care at Sierra Vista is about leaning into the natural beauty around you. Think a quiet morning with mountain views, a phone-free walk by the lake, or time spent outdoors reconnecting with yourself. If you're looking for a deeper reset, explore local wellness spots like Lake Tahoe Yoga or Yoga Om—beautiful spaces to move, breathe, and restore balance.
