What Residents are Saying

"Just moved back! I lived here for almost two years in 2021-2023 and unfortunately had to move down the hill for a year but my job gave me the chance to move back and I was able to actually move back into my same unit I had

previously, I've lived in Tahoe multiple times in different areas and this has by far felt the most at home. From the location, to the floor plan, and size for the price you really can't beat it. Jessica is absolutely amazing. This will definitely be home for years to come. <3"

Live Well

An Eco-Friendly Thanksgiving

This holiday season, embrace nature by using eco-friendly decorations. At Sierra Vista, surrounded by beautiful pinecones and foliage, consider incorporating natural elements like pinecones, branches, and dried leaves into your decor. These sustainable materials not only create a warm atmosphere but can also be composted after the holiday. Let's celebrate the season with beauty and sustainability in mind!
