What Residents are Saying

Amber R.

"Just moved back! I lived here for almost two years in 2021-2023 and unfortunately had to move down the hill for a year but my job gave me the chance to move back and I was able to actually move back into my same unit I had previously, I've lived in

Tahoe multiple times in different areas and this has by far felt the most at home. From the location, to the floor plan, and size for the price you really can't beat it. Jessica is absolutely amazing. This will definitely be home for years to come. <3"
