Pet of The Month

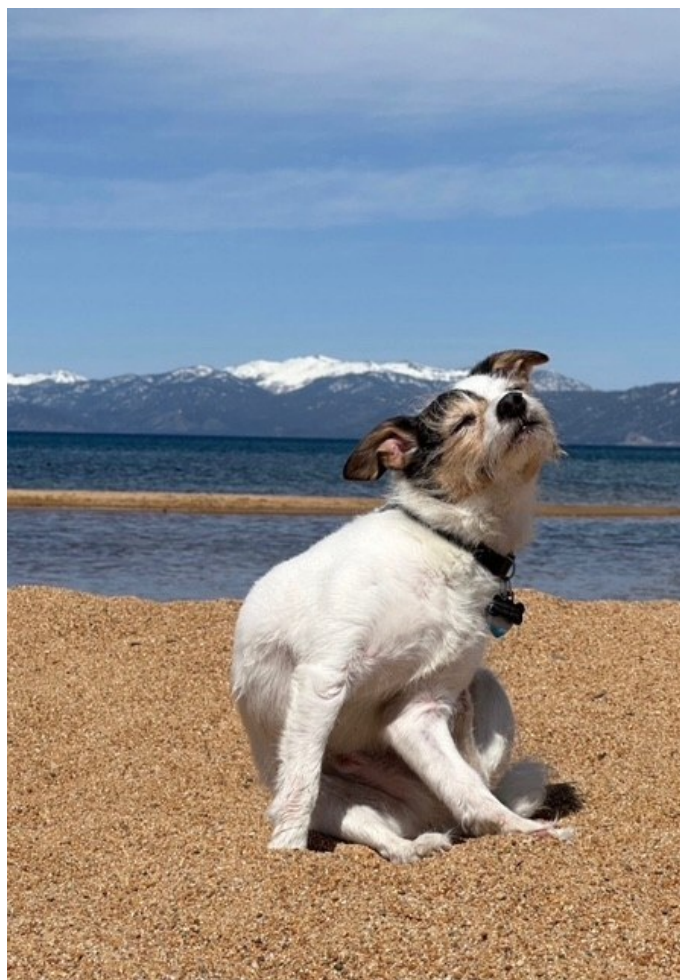

Argos

Meet Argos, our 13-year-old rescue who was found in Mt. Shasta but still acts like he's 2! He knows absolutely no tricks (and is perfectly fine with that), has zero concept of personal space, and will happily accept pets from literally anyone willing to give them. He may be the ultimate couch potato, but he's always ready for his next adventure. Argos is truly a big dog in a little body, and we're so happy to have him as our Pet of the Month!
